IV. New Business, Chair Myhre, Vice Chair Harbage

Action Item: Vice Chair Harbage presented Formula Funding Recommendation noting that $1.3 million was requested with $715,741 in formula funds available. The Workgroup made hard choices and used the approved Competitive Funding Recommendation to consider the applicants not funded for Formula. The recommendation includes $169,950 supplemental funding requests for 11 MSY. If successful, 2 may go to MLSA and 9 to MSPA to restore the programs to their current size. Supplemental Funding is one year only but will help as both MLSA and MSPA will be encouraged to apply to Competitive again this Fall, for FY2021. Funding recommendation is $715,741 + $169,950 supplemental = $885,691.
