Community Service is a top factor under consideration by college admissions officers. Serving your community can play a key role in admission decisions.

The Youth Serve Montana Scholarship was created to promote volunteerism among high school students, to encourage young leaders to further their learning, and to provide tuition assistance for Montana students who wish to attend college in state.

Up to **100 students** will receive a **\$1,000 scholarship**.

Scholarship funds have been made available through support from Reach Higher Montana, Montana Campus Compact, and the Governor's Office of Community Service. The scholarships are administered by the Governor's Office of Community Service.
