Resources from DPHHS

- **Senior Housing Locator:** A searchable database of senior housing facilities. <http://www.seniorhousinglocator.org/>
- **Office of Public Health Emergency Preparedness and Training:** [DPHHS Emergency Preparedness](#)
- **Area Agencies on Aging:** [List of Area Agencies on Aging](#). The Area Agency list has a “click here” link ½ way down the page.
- **Senior Centers:** [List of Montana Senior Centers](#). The Montana Senior Centers list has a “click here” link ½ way down the page.
- **Homeless Services Resources:** [Homeless Services Resources by County](#)
- **Child Care Providers:** A searchable database of child care providers. Providers can be searched for by city. [Child Care Provider Database](#)
- **Your Inventory for Keeping Everyone Safe (YIKES):** A preparedness resource designed for child care providers. The [YIKES](#) link is in the “What’s New” column on the left side of the page.
- **Montana Volunteer Registry:** The Montana Volunteer Registry allows people to offer their particular skills and knowledge in times of disaster or emergency. The registry gives volunteer coordinators the opportunity to collaboratively and efficiently call up the volunteers they need for any particular event. Registering allows local administrators a way to track and view your information so that you may be summoned when an event occurs and your services are needed. [Montana Volunteer Registry](#)
