

Disaster and Emergency Services (DES) and National Service Volunteers Community- Based Directory

This directory is intended to assist the local Disaster and Emergency Services (DES) Coordinator with volunteer assistance, when needed. Depending on the type of need, some national service AmeriCorps and Senior Corps volunteers may be able to assist their local community. In addition, Citizen Corps members have been specially trained to assist communities in time of emergencies.

The following contains community-based contact information by county or region for the DES office, AmeriCorps: Montana Conservation Corps, Campus Corps and NCCC, Senior Corps: RSVP and Citizen Corps. In addition, the state offices are listed as a reference.

As is always in the case in an emergency, the primary contact for assistance is the local DES office.
