AmeriCorps and Peace Corps: Continuing a Life of Service

The experience that AmeriCorps Members gain during their service is directly applicable to Peace Corps.

- Living and working with disadvantaged communities
- Partnering with individuals and organizations to build capacity and support sustainable communities
- Technical skills in education, health, and the environment.

Mission and Goals

Peace Corps promotes world peace and friendship by:

- 1 Helping the people of interested countries in meeting their need for trained men and women
- 2 Promoting a better understanding of Americans on the part of the peoples served
- 3 Promoting a better understanding of others on the part of Americans

As the Peace Corps commemorates its 50th anniversary in 2011, our legacy of service remains true to our mission established in 1961.

Volunteer Overview

Peace Corps is a life-defining leadership experience. Volunteers:

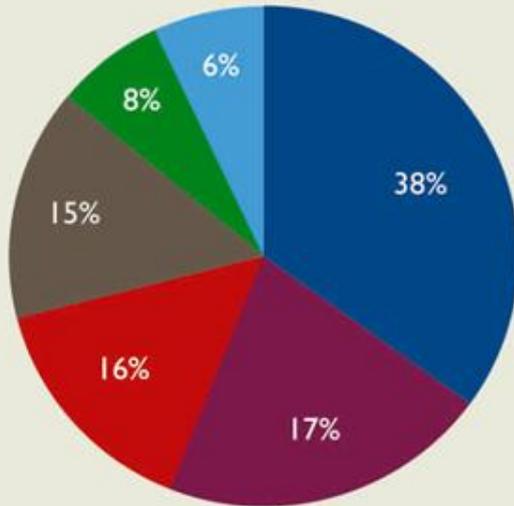

- Live, learn, and work with a community overseas for 27 months
- Work in six program areas: Education, Health, Youth and Community Development, Business and Information & Communications Technology, Agriculture, and Environment
- Receive intensive language, cross-cultural, and technical training
