

NONPROFIT ADMINISTRATION ONLINE PROGRAM

The University of Montana

AmeriCorps Alum sounds fantastic, but have you thought about adding **CERTIFIED NONPROFIT PROFESSIONAL** to your list of accomplishments? It's simple and economical!

The Nonprofit Leadership Alliance (NLA) aims to strengthen the social sector with a talented and prepared workforce by way of a credentialing program. The Certified Nonprofit Professional (CNP) credential is the only national credential that combines critical skills and knowledge, practical experience and a national perspective.

UM's nonprofit curriculum presents an ideal way for you to earn your CNP credential to maximize your national service experience! UM's nonprofit courses are taught fully online, span ten weeks and are available for graduate or undergraduate credit. The cost is \$385 per class and you can apply your Education Award toward these fees!

NLA CERTIFICATION / CNP CREDENTIAL REQUIREMENTS INCLUDE:

- NLA Profile: \$25 membership fee; \$35 credential fee
- Internship: AmeriCorps service
- Leadership/Service Activities: AmeriCorps service
- Baccalaureate Degree
- Core Nonprofit Competencies: online courses to fulfill competencies unmet through previous courses/service (\$385 per course); Ed Award eligible
