WHAT NCCC PROVIDES

- ★ A team of 8-12 members who are supervised by a Team Leader
- ★ A Team Leader to coordinate and reside with each team (Team Leaders are not technical project supervisors, but are responsible for managing their teams and report to NCCC staff)
- ★ One 15-passenger van per team; fuel covered by NCCC (except in Hawai'i and Alaska where a means of transportation and fuel must be provided)
- ★ Limited funds specifically designated for the team to purchase groceries if the Project Sponsor cannot provide food (previously, meals have been provided by cafeterias, restaurants or church groups, gift cards to grocery stores, or access to food banks)
- ★ Limited hand tools, basic personal protective equipment and housing supplies
- ★ All Members are fully covered by the provisions of the Federal Tort Claims Act (liability claims) and the Federal Employees Compensation Act (workers' compensation claims)
- ★ All Members are screened with a fingerprinted, national agency criminal history check (FBI) and checked against the national sex offender database

PROJECT SPONSORS MUST PROVIDE

- ★ All project materials, tools, equipment and related protective gear, including chaps for chainsaw use
- ★ All technical supervision to guarantee the necessary training for the tasks at hand (approx. 15-20 hours per week, depending on project work)
- ★ Orientation to your organization and community, as well as service learning opportunities to teach about the community need your project addresses
- ★ Lodging for the team to include access to a full kitchen for meal preparation (if meals are not provided), bathroom & shower facilities, at least two sleeping areas for men and women, and parking for one van
