

Additional Help Available for Local Residents

Disaster Resource Center (DRC)

Please come to the Disaster Resource Center

A one-stop shop for people affected by the Roaring Lion Fire to get help and access recovery resources

Representatives from government, nonprofit and faith-based disaster relief organizations will be on hand to assist any affected residents. Caseworkers will be available to help people create personal recovery plans, navigate paperwork and insurance, and locate assistance for their specific disaster-caused needs, such as cleanup of ashes, assistance for groceries and medications, mental health support, and other items or services

To apply for assistance, we strongly encourage you to bring identification, showing address and proof of residence.
