Montana Campuses Honor Outstanding Student Volunteers

MONTANA – On Thursday, January 25, Montana Campus Compact and their affiliate institutions honored the twelve recipients of the 2020 Montana Student Volunteer Award in an online ceremony.

Montana Campus Compact, in partnership with their affiliate campuses and the Governor's Office of Community Service, give this annual award to Montana students of any age who demonstrate outstanding community volunteerism and leadership in service while pursuing a college degree or certificate.

Normally, each student would receive their award during an individual celebration at their campus. We are happy for the opportunity to gather together virtually, celebrating our students and the triumphant spirit of service while protecting community health.
